Lightens the theme corrector's work and makes it effective

The Century Handbook of Writing

By GREEVER and JONES

Almost without exception, users of the Century Handbook, in response to a letter of inquiry, have expressed the opinion that the book succeeds in its purpose.

Many replied somewhat as follows:

"The Century Handbook has lightened my work immensely."

"The decimal chart is invaluable for enforcing theme correction."

"The rules are expressed simply and clearly."

"Even the students like the book."
